©Disney Fine Art Helping To Raise Funds for the Pediatric Foundation of the North Shore

In the ongoing efforts to raise funds for the Pediatric Foundation of the North Shore's programs, ©Disney Fine Art has stepped up to assist with a silent auction benefiting the non-profit organization the week of December 14th – 18th. The auction will be hosted by Teri Galleries Ltd. Fine Art Gallery in Metairie, Louisiana.

Two ©Disney Fine Art works will be available for auction with the highest bidder for each work being awarded at 6pm CST on Friday, December 18th. The first piece for auction is "Snow White" by ©Disney artist Tricia Buchannan Benson. This piece is a limited edition giclee on canvas, 30 x 15, framed. Bidding will start at \$500. The second piece for auction is entitled "Blessings For The Princess" and is an original oil on canvas, 20 x 30, framed. Bidding will start at \$10,000.

The Pediatric Foundation of the North Shore, Inc. was organized in January 2005 as a non-profit organization dedicated to providing services to pediatric patients and their families in St. Tammany Parish, Louisiana and surrounding parishes and counties in Louisiana and Mississippi. The Foundation currently divides its efforts between five much needed program areas: Rx for Kids, Pediatric Medical Education, Support for Pediatric Patient Care, Child Life Program, and Pediatric Family Residence.

"We appreciate the efforts of ©Disney Fine Art and Teri Galleries in supporting the programs of the Pediatric Foundation of the North Shore," states Pediatric' board member Bondilyn Jolly. "These fine art works will make beautiful Christmas gifts and provide great satisfaction for assisting children and families in need this holiday season."

To view the ©Disney Fine Art auction, please visit www.TeriGalleries.com. Bids will be accepted beginning Monday, December 14th through 6pm CST Friday, December 18th by either calling 504-887-8588, 1-800-533-8374 or online at www.TeriGalleries.com.
